Re: ***McNamee v. Clemens; No. 09-CV-1647 (EDNY) (SJ) (CLP)***

Dear Judge Johnson:

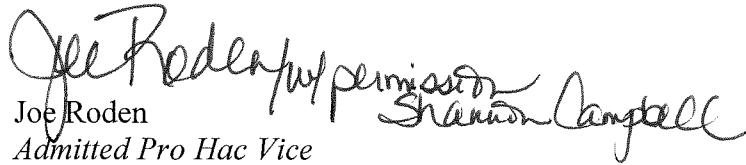

Rusty Hardin and I represent Defendant Roger Clemens in the above-styled case.

We are writing to respectfully request the May 31, 2012 status conference be adjourned until after the jury's verdict in the case styled *United States of America v. William Roger Clemens*.

I have communicated with Debra Greenberger, counsel for Plaintiff Brian McNamee, regarding this request. Ms. Greenberger does not oppose rescheduling the status conference. Ms. Greenberg is available June 18, 20 or 27. Mr. Hardin and I are also available on those dates.

Thank you for your consideration of this request.

Respectfully submitted,

Joe Roden
